

About Global Benefits Group

Global Benefits Group has been specializing in the international financial services market for 35 years, serving as leading underwriters, developers and distributors of products and services designed especially for the needs of overseas workers and international travelers.

GBG underwrites health, life, disability, travel and other specialty insurances for groups and individuals who are expatriates, third-party nationals or high net-worth local nationals.

Local strengths USPs

Global Benefits Group is able to write coverage in approximately 200 markets around the world and to insure almost any nationality.

GBG can customize policies and coverage for individuals and groups. In addition, to issuing offshore policies, GBG can cooperate / share risk with Insurope members when a local policy is needed.

Working with GBG provides a fully integrated solution for clients. GBG fills every step of the insurance value chain – Underwriting – Placement of Risk – Marketing Support – Client Services – Claims Administration – Worldwide Direct Bill Network – Assistance Services.

This seamless model means that clients around the world can make one call – to GBG – to get an answer to any question.

GBG offers a full range of benefits – Life, Worldwide Health, Long-Term Disability, Accidental Death & Dismemberment, and International Travel insurance.

GBG can brand its individual product web portal for Insurope members that want to offer local or international policies.
